FIRST CIRCULAR

The SPIRAL2 Week 2009 will be held from January 26th to 29th 2009 in the Memorial Caen (France)

The main goal of the meeting is to present and discuss the current status of the SPIRAL 2 project in front of a large community of scientists and engineers.

The program of the meeting will include presentations on scientific and technical developments related to the baseline project and the new instrumentation for experiments.

The main topics to be discussed at the conference are :

- Recent highlights in physics with RNB
- Production of RIB
- Driver accelerators
- Infrastructures
- RIB facilities worldwide
- SPIRAL2 Preparatory Phase FP7
- SPIRAL2 detectors
- Safety

Participants should organize their own trip to Caen.

The deadline for registration is December 12th, 2008. Afterwards, hotel rooms will be more expensive.

A dinner will be held on Wednesday 28th evening.

The visit of the Memorial museum will be free of charge for participants.

We would be grateful if you could bring this announcement to the attention of your colleagues.
