

SPIRAL2 Week 2011
Memorial Caen, January 24th - 27th, 2011

FIRST CIRCULAR

The 4th edition of the SPIRAL2 Week will be held from January 24th to 27th 2011 in the Mémorial Caen (France).

The main goal of the meeting is to present and discuss the current status of the SPIRAL2 project in front of a large community of scientists and engineers.

The program of the meeting will include presentations on scientific and technical developments related to the baseline project, experiments and theory.

The main topics to be discussed at the conference are:

- Driver Accelerators
- Production of RNB
- Safety
- RNB Facilities Worldwide
- FP7 SPIRAL2 Preparatory Phase
- Experiments with RNB & Theory

Information including preliminary schedule (updated regularly) and registration form is available on the website:

<http://pro.ganil-spiral2.eu/events/sp2/spiral2week-2011>

The deadline for registration is December 10th, 2010. Afterwards, hotel rooms will be more expensive.

A welcome cocktail is scheduled on Monday 24th evening and a dinner will be held on Wednesday 26th evening.

The visit of the Memorial museum will be free of charge for participants.

We would be grateful if you could bring this announcement to the attention of your colleagues.
